

# Glasgow's subway system is simple!

- £3.30 return fare, £4.20 all day ticket
- Two concentric “loops” (INNER and OUTER) – if you miss your station, just get out at the next stop, walk across to the other loop, and go back!
- Closest stn to conference is Buchanan St. (this is also close to two Scotrail stns, Glasgow Queen St. and Glasgow Central)
- Dinner (Curler's Rest) is directly outside (turn right) of Hillhead Stn
- Christmas Market is at St. Enoch Stn.
- Kelvingrove Museum/Park is a short walk east from Kelvinhall Stn.
- Can also catch Scotrail from Partick Stn

# Getting to conference dinner on Thursday night (and back...!)

Take the INNER loop subway train from Buchanan St Station – a 10 min walk from TIC  
These are just some sample times, below. Dinner (buffet) served at 19:00, fyi.

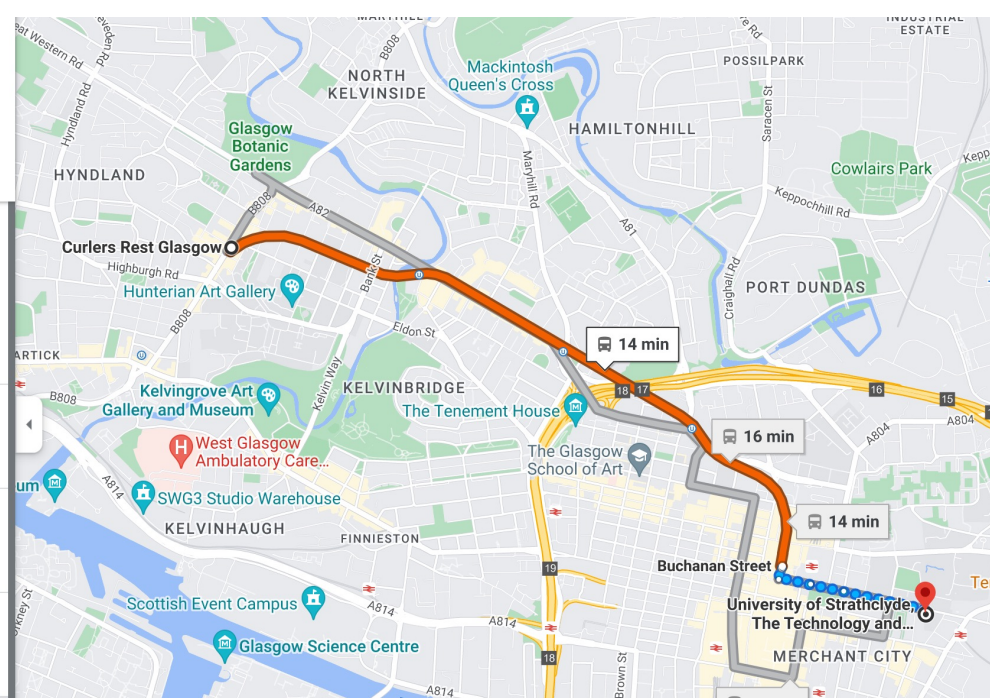

Getting back from dinner  
 is easy if you catch the  
 last Hillhead subway train  
 (23:15) ...or earlier! They  
 leave every ~10 mins.  
 Now you want the OUTER  
 loop train, however, to go  
 back to Buchanan St Stn  
 (assuming you are staying  
 near TIC)

★ = taxi stand just up Byers Rd from Curler's Rest, and just across street from Botanic Gardens, on NE corner of Queen Margaret Dr and Great Western Rd.

And just in case you were wondering... it's not that bad a walk (about an hour and generally fairly safe). However, as in any large city centre late at night, be aware!
